

DARRY'S -EAT PLACE-

Menu

Born in the deep South, the Mississippi Delta, we were raised on Respect, Tradition, the Blues, Southern cooking and Southern Hospitality (where Hospitality and Ya'll is a way of life).

It's there where we learned the secrets of cooking with spice and the fine art of *BBQ (Delta BBQ that is). BBQ, a good-time food that skips over cultural and social divides. It's down-home and never highfalutin, slow-cooked and eaten fast, a sometimes sweet and always smoky feast that fills the gut as it feeds the soul.

Our mix of the Mississippi Delta & Gulf Coastal "Parrothead" waters, makes for a gumbo type of fun and an experience you will always remember and tell others about.
